A Medical Assessment, including review of Medical Records, treatment plan and other information regarding your health condition, will be needed prior to a medical evacuation being approved and arranged.

MEDICAL EVACUATION ARRANGEMENTS

Your enrollment in the Plan provides you access to medically warranted hospital-to-hospital evacuation transportation arranged by Travel MedEvac's Assistance Provider and their Medical Evacuation Providers according to the terms, conditions, and limitations set forth in the certificate of insurance.

All arrangements for transportation or assistance services under your plan are to be made through Travel MedEvac's Assistance Provider and their Medical Evacuation providers, which when available, will endeavor to use highly accredited EURAMI or CAMTS certified air ambulance companies through our extensive network of providers.

You agree to promptly notify, or have your representative promptly notify us for request of medical evacuation transportation if you believe it may be needed, providing all information required to determine eligibility. Due to the nature of the services, a reasonable period of time is required to properly initiate a medical evacuation transportation, and you agree that diligence is necessary to properly accommodate a medical emergency. You also agree to provide notice of request at the earliest possible time, so we can secure a comprehensive medical assessment and to allow proper time to determine eligibility and prepare the medical evacuation transportation. Failure to contact us for the medical evacuation transportation in a timely manner may result in a denial or delay of services.

To facilitate providing the services, you hereby authorize us, the Assistance Provider, any Medical Evacuation Provider utilized, and any medical personnel or medical facility involved in the medical transport process to disclose or discuss your medical information with any physician, hospital, medical attendant, or others regarding your physical condition including but not limited to medical records and diagnostic images, treatment plans and test results. This authorization shall remain valid until such time as you or your authorized representative revokes it in writing.

The sending physician, receiving physician, and the Assistance Provider's Medical Personnel must agree that the Plan Holder requires continued inpatient hospitalization, meets the criteria for an air medical transport, and the Plan holder is medically stable enough for an approved transport to a qualifying medical facility. The medical evacuation transportation will not be provided until such time as we have obtained a completed medical assessment, the transport meets other applicable terms and there is confirmed admission to the receiving hospital. Admission to the receiving hospital typically requires both medical and financial acceptance by the hospital. Repatriation from outside one's home country requires proper documentation, to be provided in advance of transport, such as a passport, visa, etc. to clear customs and is the responsibility of the Plan Holder. A Plan Holder and/or companion may be denied medical evacuation transportation if they are unable to provide such documentation or are denied admission to their hospital of choice.

You further authorize the Medical Evacuation Provider's medical personnel to perform procedures and provide treatment as they deem necessary, both prior to and during the course of your medical evacuation transportation. We do not provide or control the provision of medical services to Plan Holders. Our performance of our obligations under the Travel MedEvac plans' assistance services is ministerial in nature and shall not constitute any undertaking to render medical services, to assume or guarantee the result of medical services provided to Plan Holders, or to guarantee that the medical services performed by others will be rendered in accordance with generally accepted standards or procedures. The parties understand and agree that the rendering of medical services to a Plan Holder and the results thereof are solely within the control of the Medical Evacuation Provider's medical personnel. Travel MedEvac is not liable for any malpractice, loss of life or other peril by the Medical Evacuation Provider, their contracted network of air ambulance companies, or other healthcare providers, and the Plan Holder agrees to hold Travel MedEvac and its assigns harmless for said services.

OTHER ASSISTANCE SERVICES AND ARRANGEMENTS

Your enrollment in the Plan provides you access to other assistance services based on the plan selected. All services and arrangements or assistance services under your plan are made through Travel MedEvac's Assistance Provider and their contracted providers.

To facilitate providing the services, you hereby authorize us, Assistance Provider and any contracted providers to provide such services with your discretion. Travel MedEvac does not provide or control the provision of the services to Plan Holders. Our performance of our obligations under the Travel MedEvac's plan assistance services is ministerial in nature and shall not constitute any undertaking to render these services, to assume or guarantee the result of the services provided to Plan Holders, or to guarantee that the services performed by others will be rendered in accordance with generally accepted standards or procedures. The parties understand and agree that the rendering of services to a Plan Holder and the results thereof are solely within the control of the Assistance Provider's personnel and their contracted providers. Travel MedEvac is not liable for any loss or other peril by the Assistance Provider, their contracted providers, or other companies, and the Plan Holder agrees to hold Travel MedEvac and its assigns harmless for said services the Plan Holders utilizes.

GENERAL EXCLUSIONS AND LIMITATIONS ON ASSISTANCE SERVICES

Medical evacuation transportation is subject to limitations on the operation of aircraft imposed by mechanical issues, weather, regulations and restrictions imposed by the United States Federal Aviation Administration or comparable aviation administration authority of any other jurisdiction in which a medical facility or Plan Holder may be located, and other conditions beyond the control of Travel MedEvac or the Assistance Provider and their Medical Evacuation Providers.

A Plan Holder weighing in excess of three hundred (300) pounds or having other physical characteristics may limit the ability to place a Plan Holder into an aircraft due to size limitations of a fixed wing air ambulance aircraft and may be prohibited from transport.

The Assistance Provider and its Medical Evacuation Provider will manage the logistics of all air medical transports, including the possibility of using an alternate medical evacuation transportation provider that is part of their extensive worldwide network of accredited air ambulance companies should the need arise. Medical evacuation transportation from airports in some countries is restricted or closed to private aircraft, including air ambulance aircraft, from dusk until dawn which may delay an aircraft from reaching a Plan Holder.

Your plan provides medical evacuation transportation through the use of ground ambulances and aircraft assigned by Travel MedEvac's Assistance Providers and their Medical Evacuation Providers. Both the sending and receiving medical facility must be reasonably accessible by ground ambulance to transport the Plan Holder to and from an airfield capable of accommodating medical aircraft transportation assigned by us. Air medical transport from remote areas or islands, to a location with an airfield accessible to our primary provider's medical aircraft is not provided. Costs of evacuation from these remote areas to a location where we can provide service are the responsibility of the Plan Holder.

Due to limited medical and laboratory facilities on cruise ships, if a Plan Holder becomes ill or injured on a cruise ship, in all cases we will require a Plan Holder to be admitted to a hospital on-shore for a thorough medical assessment before eligibility for a Medical evacuation transportation to another medical facility can be determined .

Aircraft and personnel cannot be sent into countries where the U.S. State Department or other governmental regulatory agency has issued travel restrictions, or to areas where civil aviation has been suspended or restricted, due to a natural disaster, civil unrest, an outbreak of illness/disease or any other cause. Various countries throughout the world may pose travel and/or medical restrictions, at any time, that prevent a transport. Your plan is subject to exclusion in these areas, as well as for any medical evacuation transportation that would be in violation of any Federal Aviation Administration rules or regulations, or comparable aviation administration authority, or governmental orders restricting air travel for any jurisdiction where you may be traveling. A Plan Holder diagnosed with or suspected of having tuberculosis or other chronic pathogens or infectious disease as defined and classified by the Center for Disease Control and Prevention, the National Institutes of Health, or comparable administration authority, may be prohibited from transport due to travel and other governmental restrictions.

The patient, and an accompanying passenger(s) if the medical condition and space allows, are limited to one small carry-on bag each due to limited space available on the medical aircraft.

ADDITIONAL DISCLAIMER AND LIMITATIONS ON LIABILITY

The Plan Holder acknowledges that medical evacuation transportation is arranged through our Primary Medical Evacuation Provider and their extensive network of air ambulance companies, and although the ground ambulance and aircraft is equipped with personnel and equipment to sustain and preserve the life of a patient while in transit, a Plan Holder's condition may deteriorate during the transport to the point of death or irreparable harm. The Plan Holder understands and assumes this risk, and therefore agrees that Travel MedEvac, plan underwriter Nationwide®, our Assistance Provider and their Medical Evacuation Providers or other outside contractors, including their shareholders,

officers, managers, employees, agents, affiliates, distributors, predecessors, successors, and assigns, shall not be responsible to any person, including but not limited to the Plan Holder or the Plan Holder's estate, survivors, agents, assigns, or representatives, for the Plan Holder's death or deterioration of the Plan Holder's condition.

Travel MedEvac and its underwriters, managers, employees, agents, affiliates, successors, and assigns shall not be liable for any harm or damages relating to or resulting from services provided by our Assistance Provider, their Medical Evacuation Providers or other outside contractors, to Plan Holders and their traveling companions. Neither Travel MedEvac nor its underwriters, managers, employees, agents, affiliates, distributors, successors, or assigns shall be liable to any person for the death, disability, or injury of the Plan Holder or any other person accompanying the Plan Holder unless the injury is determined by a court to be solely caused by the gross negligence or willful misconduct of Travel MedEvac. We shall not be liable for delay or failure to perform under the plan if such delay or failure is caused by the unavailability of a ground ambulance or aircraft, government restrictions, mechanical failure, acts of god, fire, flood, strike, labor dispute, riot, insurrection, war, or any other cause beyond the control of Travel MedEvac, our Assistance Provider and their extensive network of highly accredited worldwide Medical Evacuation Providers, or other outside contractors.

GENERAL PROVISIONS

Except as otherwise set forth in this certificate of insurance, the assistance provided is provided on an "as is" and "as available" basis. Travel MedEvac and its managers, employees, agents, affiliates, distributors, successors, and assigns expressly disclaim all warranties of any kind, whether express or implied. The Plan Holder, individually and on behalf of the Plan Holder's estate, and the Plan Holder's survivors, agents, assigns, and representatives, expressly understand and agree that Travel MedEvac and its Assistance Provider, Medical Evacuation Provider, other contracted providers managers, employees, agents, affiliates, distributors, successors, and assigns shall not be liable to the Plan Holder, traveling companion or the Plan Holder's estate, survivors, agents, representatives, or assigns, or the general public, for any direct, indirect, incidental, special, consequential, punitive, or exemplary damages relating to or arising out of the plan or the services to be provided hereunder. The total liability of Travel MedEvac and its Assistance Provider, Medical Evacuation Provider, other contracted providers, managers, employees, agents, affiliates, distributors, successors, and assigns relating to or arising out of the plan or the services provided hereunder shall not exceed the amount equal to the plan and policy fees paid to date during the current term of your plan. Medical evacuation transportation made pursuant to the plan is subject to rules and limitations of certain international treaties governing international air travel, including but not limited to the Warsaw convention and/or the Montreal convention, which limit the liability of air carriers with respect to death or injury of passengers, for loss or destruction of baggage, or for delay.

The travel protection plan assistance services as defined constitute a summary of the agreement between Travel MedEvac and the Plan Holder. All legal actions arising under or relating to the assistance services provided or arranged by Travel MedEvac through the Assistance Provider and its Medical Evacuation Providers for you under your plan, shall be barred unless written notice thereof is received by us within six (6) months from the date of the services provided.

You further agree to waive the right to trial by jury in any action arising out of or relating to any assistance services provided or arranged by Travel MedEvac and its Assistance Provider or their Medical Evacuation Providers for you under your plan. Your plan cannot be transferred or assigned by you, and any attempted transfer or assignment shall be null and void.

Travel MedEvac, the Assistance Provider and its Medical Evacuation Providers, in its sole discretion, may monitor or electronically record communications between its employees or designated representatives and you in connection with your plan. By enrolling as a Plan Holder, you specifically authorize communications involving you and to which you are a party to be recorded and utilized by us for quality control or other purposes.
