Assistance Services Are Provided Through TME Travel Insurance and Its Assistance Provider

ASSISTANCE SERVICES

Please call us and you will be connected with our Assistance Provider, available 365 days a year, 24 hours a day. Our Assistance Provider will work with you along with the attending Physician(s) and medical facility personnel. If it is determined a medical evacuation may be needed for an eligible person on the Plan, whether the evacuation is to be carried out via a commercial aircraft or a private, medically equipped aircraft, a Medical Assessment, including Medical Records and other information regarding your health condition will be needed in advance of any transport being approved. Eligibility per the terms of the Plan must also be confirmed prior to a medical evacuation being approved and arranged.

MEDICAL EVACUATION ARRANGEMENTS

Your enrollment in the Plan provides you access to medically warranted evacuation transportation arranged by TME Travel Insurance's Assistance Provider and their Medical Evacuation Provider(s).

Promptly notify TME Travel Insurance's Assistance Provider, or have your representative promptly notify us, for request of medical evacuation transportation if you believe it may be needed, specifying the nature of the injury or illness. Due to the nature of the services, a reasonable period of time is required to properly initiate a medical evacuation transportation, and you agree that diligence is necessary to properly accommodate a medical emergency. You agree to provide notice of request at the earliest possible time, so we can secure a comprehensive medical assessment and to allow proper time to determine eligibility and prepare the medical evacuation transportation. Failure to contact us for the medical evacuation transportation in a timely manner may result in a delay of services.

To facilitate providing the services, you hereby authorize us, Assistance Provider and any Medical Evacuation Providers utilized to disclose or discuss your medical information with any physician, hospital, medical attendant, or others regarding your physical condition including but not limited to medical records and diagnostic images and test results. This authorization shall remain valid until such time as you or your authorized representative revoke it in writing.

You also authorize us, the Assistance Provider and their network of air ambulance providers and any medical personnel or medical facility involved in the medical transport process to review your medical records, diagnostic images, and test results. The sending physician, receiving physician (where applicable), and the Assistance Provider's Medical Personnel must agree that the Plan Holder meets the criteria for a medical evacuation and that the Plan Holder is medically stable for an approved transport. The medical evacuation transportation will not be provided until such time as we have obtained a completed medical assessment, the transport meets other applicable terms and (where applicable) there is confirmed admission to the receiving medical facility. Admission to the receiving hospital typically requires medical and financial acceptance. Repatriation from outside one's home country requires proper documentation, such as a passport, visa, etc. to clear customs and is the responsibility of the Plan Holder. A Plan Holder may be denied medical evacuation transportation if they are unable to provide such documentation or are denied admission to their home hospital of choice.

You further authorize the Assistance Provider's Medical Evacuation Provider's medical personnel to perform procedures and provide treatment as they deem necessary, both prior to and during the course of your medical evacuation transportation. We do not provide or control the provision of medical services to Plan Holders. Our performance of our obligations under the TME Travel Insurance's plan assistance services is ministerial in nature and shall not constitute any undertaking to render medical services, to assume or guarantee the result of medical services provided to Plan Holders, or to guarantee that the medical services performed by others will be rendered in accordance with generally accepted standards or procedures. The parties understand and agree that the rendering of medical services to a Plan Holder and the results thereof are solely within the control of the Medical Evacuation Provider's medical personnel. TME Travel Insurance is not liable for any malpractice by the Medical Evacuation Providers, their contracted network of air ambulance companies, or other healthcare and assistance providers utilized, and the Plan Holder agrees to hold TME Travel Insurance and its assigns harmless for said services.

ASSISTANCE SERVICES CONSTRAINTS

Medical evacuation transportation is subject to limitations on the operation of aircraft imposed by mechanical issues, weather, regulations and restrictions imposed by the United States Federal Aviation Administration or comparable aviation administration authority of any other jurisdiction in which a medical facility or Plan Holder may be located, and other conditions beyond the control of TME Travel Insurance or the Assistance Provider and their Medical Evacuation Providers.

A Plan Holder weighing in excess of three hundred (300) pounds or having other physical characteristics may limit the ability to place a Plan Holder into an aircraft due to size limitations of a fixed wing air ambulance aircraft and may be prohibited from such transport.

The Assistance Provider and its Medical Evacuation Providers will manage the logistics of all air medical transports, including the possibility of using an alternate medical evacuation transportation provider that is part of their extensive worldwide network of accredited air ambulance companies should the need arise. Medical evacuation transportation from airports in some countries may be restricted or closed to private aircraft, including air ambulance aircraft, from dusk until dawn which may delay an aircraft from reaching a Plan Holder.

Aircraft and personnel cannot be sent into countries where the U.S. State Department or other governmental regulatory agency has issued travel restrictions, or to areas where civil aviation has been suspended or restricted, due to a natural disaster, civil unrest, an outbreak of illness/disease or any other cause. Various countries throughout the world may pose travel and/or medical restrictions, at any time, that prevent a transport. A Plan Holder diagnosed with or suspected of having tuberculosis or other chronic pathogens or infectious disease as defined and classified by the Centers for Disease Control and Prevention, the National Institutes of Health, or comparable administration authority may be prohibited from transport due to travel and other governmental restrictions.

The patient, and an accompanying passenger(s) if the medical condition and space allows, may be limited to one small carry-on bag each due to limited space available on the medical aircraft.

ADDITIONAL DISCLAIMER AND LIMITATIONS ON LIABILITY

The Plan Holder acknowledges that medical evacuation transportation is arranged through our Assistance Provider and its Medical Evacuation Providers and their extensive network of air ambulance companies, although the ground ambulance and aircraft is equipped with personnel and equipment to sustain and preserve the life of a patient while in transit, a Plan Holder's condition may deteriorate during the transport to the point of death or irreparable harm. The Plan Holder understands and assumes this risk, and therefore agrees that TME Travel Insurance, our Assistance Provider and their Medical Evacuation Providers or other outside contractors, including their shareholders, officers, managers, employees, agents, affiliates, distributors, predecessors, successors, and assigns, shall not be responsible to any person, including but not limited to the Plan Holder or the Plan Holder's estate, survivors, agents, assigns, or representatives, for the Plan Holder's death or deterioration of the Plan Holder's condition.

TME Travel Insurance and its underwriters, managers, employees, agents, affiliates, successors, and assigns shall not be liable for any harm or damages relating to or resulting from services provided by our Assistance Provider, their Medical Evacuation Providers or other outside contractors. Neither TME Travel Insurance nor its underwriters, managers, employees, agents, affiliates, distributors, successors, or assigns shall be liable to any person for the death, disability, or injury of the Plan Holder or any other person accompanying the Plan Holder unless the injury is determined by a court to be solely caused by the gross negligence or willful misconduct of TME Travel Insurance. We shall not be liable for delay or failure to perform under the Plan if such delay or failure is caused by the unavailability of a ground ambulance or aircraft, government restrictions, mechanical failure, acts of god, fire, flood, strike, labor dispute, riot, insurrection, war, or any other cause beyond the control of TME Travel Insurance, our Assistance Provider and their extensive network of highly accredited worldwide Medical Evacuation Providers, or other outside contractors.
